

Dear Members and Friends of the Foundation:

I'm pleased to report that fall has started off with a bang for the Foundation!

To start off, our fourth annual "Glaze a Tile" fundraiser on September 28th was a great success. The skies were blue, the sea was calm and dozens of our members and friends had a grand time sharing summer stories, enjoying the champagne lunch, and, of course, challenging themselves to "keep it inside the lines" as we

glazed our terra cotta tiles. I am most grateful to the many volunteers who helped make this year's event

especially successful, as well as to our corporate sponsors listed in our first ever luncheon program (*also listed below.*)

Moreover, the Foundation was thrilled to announce our first ever **Golden Sands \$5000** sponsor, our good friends at **Southern California Edison!** The great generosity of **SCE**, the **California State Parks**, our other sponsors and donors will help ensure that work on behalf of our beloved Adamson House will go forward.

Of course, people are at the core of any organization such as ours, and we were pleased to honor **Beverly Gosnell** who is stepping down as a volunteer after almost 30 years of dedicated service. Beverly has been an invaluable asset to our organization especially

with her writing skills and contribution to the **Malibu Surfside News**. We wish Beverly all the best in the coming years.

I'm also very pleased to report the addition of two new members of the Foundation's board; **Brad Mancuso** and **Linas Kojelis**. A native of Sacramento, Brad received his J.D. from Pepperdine University School of Law in Malibu. Linas hails from the Westside, but spent most of his career in Washington serving at the White House, State Department and on several non-profit boards. With their varied and broad range of experience they have already made valuable contributions to our organization and its mission.

We are all thrilled to see the continued organizational and financial growth of our Foundation, and remain forever grateful to our donors and friends for their wonderful support.

Sincerely,

Ceci Wigen
